Rocket Builder Mini kit · fold-over header card (2-up)

Two cards per US Letter sheet, 65-80 lb cover (ivory if you can). Cut, score and fold, punch the slot through both layers, staple over a 4 × 12 in bag.
No bleed: the art stays 1/8 in inside the cut, so home printers and a hand trimmer are fine. Dashed grey marks: staple positions.

Upper half: BACK, printed upside down. Lower half: FRONT. Fold on the dashed line.

Cut Fold Bleed 1/8 in Safe area
